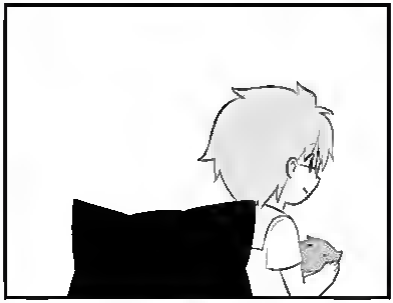
EATING LUNCH EARLY

STOP TALKING WITH YOUR MOUTH FULL. YOU'RE JUST MAKING THE EFFORT TWICE.
BUT IF WE DO THAT, SHE'LL SAY THAT WE DON'T HAVE TO BE SO CONSIDERATE WITH HER.

HOW TO SAVE MONEY



*TL note: a pun between "*tsumari chokin*" and "*tsumori chokin*". "*tsumari chokin*" simply means "in other words, she's saving up". "*tsumori chokin*" is the concept of saving up small amounts of money by making small sacrifices. In this case, Miharu makes the small sacrifice of not being able to eat snacks to save up some money.
